1 The data in the Report are presented in 11 categories. Click on the numbered tab to access the data in that category. The 11 categories are:

1. Organization: Information about the organizations
2. Funding: Information about sources of funding for service-learning
3. Scope: Scope of service-learning programs
4. Participants: Service-learning participants
5. Program Duration: The timing and duration of service-learning programs
6. Activities: Service-learning issue areas
7. Partners: Information about partner organizations
8. Institutional support: Support for the institutionalization of service-learning
9. Coordinator: information about the role of the service-learning coordinator
10. Tech Assistance: Technical assistance strengths and weaknesses
11. Outcomes: Primary service-learning program outcomes

2 You can view the aggregate data for all organizations, or you can view the data aggregated by organizational type. Use this drop down menu to sort (filter) the data by:

- All organizational types (default)
- K-12 Organizations
- Higher Ed Organizations
- Community Based Organizations

Once you choose a filter click on the “Refresh Report” button.

3 You can also view the aggregate data by regions. Use this drop down menu to sort (filter) the data by:

- All Regions (default)
- Atlantic Region
- North Central Region
- Pacific Region
- Southern Region
- Southwest Region

Once you choose a filter click on the “Refresh Report” button.

4 Clicking on the “View Individual Responses” button creates a pop-up window that contains a spreadsheet of the un-aggregated data for the questions in that category (see #1 for information about the categories). From the pop-up window you can download the data in Microsoft Excel format.

5 From the grey menu bar you can access contact information (Contact Us) and download copies of the surveys (Download Forms). The Login is for registered users of the LASSIE system, and the Online Help area, while public, contains information for those using LASSIE to report program information.
